

## MUSIC SELECTION GUIDELINES

*These guidelines are to be used for District Chorus, All-Virginia Chorus, Honors Choir and our own programs.*

1. The program is not to be more than 50% sacred. This guideline must be followed without exception.
2. Strong consideration should be given to at least one multi-cultural piece.
3. Consider one foreign language piece other than Latin.
5. Representation of different musical periods.
6. Balance between accompanied and a cappella pieces.
7. A sight reading piece is required for the All Virginia and Honors Choir programs.
8. No more than 25 minutes of music
9. Please have the selected program to the event chair by the requested date. This will ensure that rehearsal tracks can be made in timely manner.
10. As you select the program, consider rehearsal notes that you will want the choir to know ahead of time. The deadline for this letter will be given to you by the event chair.
