Discussion was had

In Favor: **Motion passes Unanimously**

**Motion 2:**

Jordan Markwood

Seconded: Helai Karim

I would like to make a motion to change the wording of the VCDA Manual in Section V in the last paragraph of part 1 about District Assessments to read:

If a school has a legitimate conflict with the date of the Assessment event in their home district, they can apply to participate in a neighboring district’s event. The event should be comparable to that of their home district (i.e. High School Assessment for High School Assessment or Middle School for Middle School Assessment) with the permission of the District Choral Representatives from both districts and the VCDA President.

Discussion:

- There should be no competition between choirs.

**Motion passes with 2/3 majority**

**Motion 3:**

Nick Brata

Seconded by Greg Vick

I motion to allow choirs to select music for Assessment from any state's approved list. The three approved lists are decent but there is so much more music on other lists.

Discussion:

-If a piece is graded differently in another manual, would the selection be VA grade, or another state's grade?

-Would it be possible to link the approved lists on our website?

-Judges will not know what level the choir sings if the selections are graded differently in each state.

-This may dissuade people from bringing in new music to be evaluated at conference.

-A suggestion was made that we find lists that are similar to VA guidelines and to add those few lists first before adding all state's lists.

**Motion is tabled, Greg will form a committee to do research and will resubmit motion in the fall.**

**X. Closing Remarks - Dana Van Slyke**

- Dana gave her farewell speech and passed the gavel to President-Elect Corbin Pinto.

Corbin Made motion to adjourn, Brian Kelly seconded.

Meeting adjourned at 5:47pm

Respectfully submitted by Elise Ramos-Krepcho
